

# OKALOOSA COUNTY WATER & SEWER SYSTEM

February 20, 2007

To Whom It May Concern:

Okaloosa County Water and Sewer has contracted with "The Collection Bureau Medical Accounts" since 1994. We have been extremely happy with the results of this contract. They have collected funds that we have been unable to collect in house. They have been professional, accurate and timely in their reports. We enjoy doing business with this company.

Sincerely,

OKALOOSA COUNTY BOARD OF COUNTY COMMISSIONERS

Debra Overmoe, Customer Service Supervisor  
Water and Sewer
