Re: Letter of Recommendation

February 20, 2007

To Whom It May Concern:

The purpose of this letter is to provide a letter of recommendation for the Collection Bureau of Fort Walton Beach. White-Wilson Medical Center has been doing business with the Collection Bureau since 1987. With their assistance, we have been able to successfully monitor and control our bad debt accounts that are sent to them for many years. The Collection Bureau takes the time to provide excellent customer service, both to us and the patients they have to deal with, while at the same time producing positive results. I would highly recommend them to any business that needs assistance monitoring and collection on their accounts. If you have any questions, and would like to contact me, feel free to do so at the number below.

Sincerely

Terrilyn Roddy
